Re: MUR4899

Dear Mr. Noble:

This letter is in response to your letter of June 3, 1999 as referenced to MUR4899.

This complaint, filed by the Democratic Party of Texas, is incorrect and misleading in its reference to participation of my committee or myself. At no time have the Pete Sessions for Congress Campaign Committee or I received PAC support or organizational support from Texans for Good Government. Any assertion that I have received benefit or financial support from this organization is untrue.

I am requesting that the commission expedite a full investigation and review of this allegation. Further, I ask that when you have completed investigating the portion of this allegation that relates specifically to me, I would ask for immediate disclosure of your conclusions.

Please be advised that previous correspondence to the commission from my campaign committee has changed the mailing address. Your letter was directed to the previous address. I would appreciate correcting your records, and addressing any further correspondence to the address above.

Sincerely,

Pete Sessions
