To Whom It May Concern:

It is our understanding that the mailing questioned in MUR 4754, was a volunteer exempt activity undertaken on the behalf of the Heather Wilson campaign by the Republican Party of New Mexico. The Heather Wilson for Congress campaign was aware of the volunteer exempt activity, but had no involvement.

We refer the matter to the state party for the specifics.

The costs of the automated phone calls will be reported by the state party to the Heather Wilson for Congress campaign as an in-kind contribution.
