MUR # 6118

To Whom It May Concern:

This letter constitutes a formal complaint against the Bob Roggio for Congress Committee in Pennsylvania's 6<sup>th</sup> Congressional District for violation of the Federal Election Campaign Act.

It is my belief that the Bob Roggio for Congress Committee has violated FECA and the Commission's regulations, by failing to include a disclaimer on 3 different commercially printed Roggio for Congress campaign communications.

Photographs are attached to this letter proving that the violations are a pattern and not a single mistake. The communications include roadside billboards, mass-produced lawn signs and mass-produced bumper stickers.

We ask that the Commission open an investigation at once against the Bob Roggio for Congress Committee to ensure the integrity of this important election in the next seven days.

Sincerely,

State of Pennsylvania  
County of Chester
